

WE ARE HIRING

Regional Account Executive wanted!

France or Netherlands: Remote workplace

ABOUT OPENRAD

OpenRad is a young company reinventing teleradiology. We are integrating the best cloud-based imaging solution into Europe's No. 1 connectivity product suite to deliver a unique remote reporting system. By combining the individual products and services of Biotronics3D and Visbion, OpenRad can fully digitalise the workflow processes within radiological diagnostic centres. Our zero-footprint, thin-client SaaS-based solutions speed up implementation, increase centre utilisation, provide seamless access to all imaging, and at the same time reduce cost of ownership. We are a London- and Berlin-based company targeting customers globally.
